REDUCTION OF THE MODIFIED POINCARÉ DIFFERENTIAL EQUATION TO BIRKHOFF MATRIX FORM

Ice B. Risteski

Abstract. In this paper is given the reduction of the modified Poincaré linear differential equation with one n-tiple regular singularity to the Birkhoff canonical matrix form.

1991 A.M.S (MOS) Subject Classification Codes. Primary 34A30, Secondary 15A18.

Key words and phrases. Reduction, Modified Poincaré differential equation, Birkhoff matrix form.
